Lump sum contribution to the fund board for provisioning, half-board and open-bar : 275 Euro per person for the week, to be paid on boarding time (130 for children up to 12)

Air-conditionned is working when the yacht is on a harbor or marina with 32 A power.

We do NOT run the generator all the night for this purpose, polluting the neighbours (AND noise pollution). If it is important for you, the Captain can choose in priority such marinas or harbors when it is possible.
