

'M/S Meltemi' Motorsailer 85' for Charter

MELTEMI is a traditional schooner built in 1989 with an increasing popularity amongst charterers. She is exceptionally popular among those who enjoy leisure sailing and simultaneously require modern facilities below decks. Entering from the stern there is a lovely aft deck with ample space for lounging or al fresco dining. There is also a fully tended outdoor bar. Inside there is a lounge and dining area where all sixteen guests enjoy delightful meals. Mahogany wood predominates the atmosphere and perfectly matches the tasteful upholstery. Apart from sunbathing in the cushioned fore deck, guests will enjoy numerous watersport facilities and an excellent service from a crew of five.
