

'M/S Matina
Motorsailer 38m for Charter

With her sail area of 1.500 sq. meters, MATINA has an incredible sailing performance and is extremely stable with her wide beam of 9.40 meters. The main saloon adjacent to the galley area is of traditional design with rich mahogany paneling, where a group of 18 may dine in style around a teak dining table. The main saloon leads on to the spacious aft deck with dining facilities around a teak table for 18. A further U shaped extremely spacious seating area on the Aft Deck is ideal for simply relaxing with a nice book, sunbathing or of cocktails. Each cabin, well ventilated with air-conditioning as well as opening portholes and hatches, has ample storage space and wide berths. Simple and tastefully decorated cabins all have en suite shower and WC facilities.
