ALEXANDRA K, 43 metres long and built by CRN, remains a unique, classic displacement yacht with low consumption, thanks to her continuous annual upgrades and her extensive refit in 2006. She is also capable of night passages, for those that accept no compromise in space and appreciate the cruise itself.

Alexandra K offers a spacious saloon, renovated in warm colors and designed with attention given to detail, offering absolute relaxation and entertainment to her guests. The dining area is ideal for enjoying gourmet meals onboard. The master cabin, located on the main deck, includes a king-size bed, ample wardrobe space, and his and hers bathrooms.

Alexandra K's cabin layout makes her an ideal boat for family charters. The two separate cabin compartments are on the fore and aft lower decks. The first compartment includes the VIP cabin plus 2 twin cabins, while the second comprises of one

double cabin plus two twin cabins (one with an extra Pullman berth). These compartments can be used as familiesA private apartments. The yachtAs 7th cabin is normally used for nannies or bodyguards and sometimes for the yachtAs younger guests.

In addition, her ability to accommodate comfortably up to 16 guests appointed her as a favorite luxury yacht for repeated big parties. On the upper deck, the skylounge can be used for more private and quiet moments, while it is often used as an office or a private saloon for the yachtAs younger guests.

Alexandra K offers space and comfort in outside areas as well. The aft deck, with a big dining table and two spacious sofas, is ideal for breakfast, lunch, or evening drinks. The spacious sundeck area, having direct access from the skylounge, provides all comfort for relaxation times under the sun. Alexandra K's deck furniture ensures comfort and ease during sunbathing and her water toys promise to keep all parties happy during their holidays.
