

The 48-meter Galileo is a classic steel hull motor sailer, with spacious and well appointed interiors renovated in 2013. At the main deck, a lounge area with an American bar leads into a warm and elegant dining room finished with wood and leather. Guests on Galileo enjoy the most a shaded outdoor deck area with an outdoor bar and the ship's sun deck equipped with sun beds and deckchairs. The Galileo's 25 outside guest cabins are located on Upper and Lower Decks, all with large portholes. Elegantly decorated, they have either twin or queen sized beds and bathrooms with showers en suite. All cabins are fully air-conditioned and offer storage space, radio music controls and telephones (for internal use).
