

## Mile builder October 9 - 2021

Dear clients,

Due to your interest in our mile builders, we like to inform you that we are open for bookings.

Hereunder you find the route for the mile builder starting on Saturday the 9th of October 2021, we allocated 5 yachts for this event.

Every yacht has a Yacht master offshore instructor as the skipper, with Alexandros as the chief instructor, he will also be responsible for the daily briefings.

The watch system divided in two watches, will be set up in cooperation your skipper before departure. The dedicated watch leader will be fully in charge during his watch.

The off-duty watches are responsible for preparation of meals, and cleaning the yacht

When off-watch you can choose whether you relax, sleep, or learn. The skipper can help you to improve your knowledge of navigation, radio work, GPS, and other aspects of sailing. We will provide each yacht with some guidebooks to the area and there is plenty of interesting information in the pilot books you will have on board.

You can also practice your radio skills and have some basic instruction in marine radio operation.

Most of the skippers are qualified Marine Radio instructors. You can also practice your radio skills and have some basic instruction and practice in marine radio operation. We can arrange radio examinations in Aegina at the end of the trip. You must do your theory online before arrival. Please let us know if you want this.

We will supply all food needed for the trip, only extra cost for you are the eventual evening meals and drinks ashore, there will be no alcohol on board, but a glass of beer or wine while in port is no problem.

**The price per person for this event is Euro 1.150,00 in a single cabin, if shared with a good friend, or partner you will save Euro 125.00 per person.**

**We did change our booking conditions dramatically for next season, please contact us to get more details**
