

M/Y ALEXANDRA

Benetti Alexandra is 50 metres of pure satisfaction for those who love cruising. The combined work of **Benetti** design team and Stefano Natucci has once again allowed the shipyard to deliver a state-of-the-art-yacht. The external lines and wide window openings of Alexandra are typical of the Benetti style and the interior is a true custom yacht achievement, with the signature of Terence Disdale for design and Alan Jones for decoration. Motor yacht Benetti Alexandra is the sixth yacht in Benetti's Golden Bay series of semi-displacement vessels. Motor yacht Alexandra has been built to ABS Malta Cross A1 classification with classic Italian exterior lines from Stefano Natucci and a Disdale interior. Alexandra achieves performance and reliability, equipped with the latest electronic and communication devices and with an interesting and innovative feature of this yacht in the two collapsible bulwarks aft of the single lounge/dining room on the main deck. The aft of the main house being dominated by a pair of full size glass sliding doors, not only adds to the sense of space, but also allows for a virtually uninterrupted panoramic view aft from the dining table.

Accommodation: In 4 decks, 7 cabins for guests, 6 cabins for crew. Full beam master at the upper deck.

Coming on board motor yacht **Alexandra**, you enter a world of luxury and sophistication. Attention to detail is a key word at Benetti. Large side windows on all decks and foldable bulkwark doors in the dinning room clear the horizon and create a wonderful terrace on the sea.

Technical Specifications:
